

## To Stoke Golding along the Ashby Canal

### Getting to the towpath

1. Out of our driveway left down Sutton Lane to the canal bridge no 32 to get down onto the towpath
2. From our yard down the grass track between the fields, turning right through the first kissing gate then straight on to the canal bridge no 31 and down onto the towpath
3. Into Dadlington village and down Shenton Lane to the canal bridge number 30 to get down on to the towpath

### Getting to Stoke Golding

1. Leave the towpath between Bridge 28 and 27 at The Bath Piece (commonly known as "Duck Bend") and walk the lane into the village
2. Or go further along to Bridge 25 and walk up Station Road back into the village
